Dear Family & Friends,

Blessings & peace to you in the Name of Jesus our Lord!

Sid's return trip to Chile in March was anything but ordinary! Shortly before boarding, the flight was canceled leaving him stranded at the airport. But the Lord was working on his behalf. He was bumped up to business class(wonderful on 9 hours flights) plus food, lodging, & extra 12,000 miles. All this for a miracle to happen in Ovalle that night. Pastor Guillermo always travels 6 hrs to meet Sid at the airport in Santiago. After we called Guillermo that Sid's trip was delayed 1 day, he changed his travel plans also.

That same night around 3am, someone called Guillermo from the hospital. A man he knew from his childhood was brought to the hospital in a delirious state, seeing demons, saying they had come to take him, totally abnormal for him. His family heard their old friend was now a pastor & called him to please come & pray, which he did without delay. Upon entering the room, the doctor had already notify the family that the man would soon die. Pastor G. spoke to the tormented man about repentance & salvation in the Name of Jesus. The man & his family prayed with the pastor. An amazing peace came over the man, even a type of radiance over his face. He then took one last breath & died. That same evening, family, friends & neighbors came to his visitation to be buried the following day. Pastor Guillermo ministering the Word of Hope, Life & Salvation through Jesus Christ & over 40 people surrendered their lives to Jesus Christ. All this occurred because of an AA flight cancelation! God is in control!

Guillermo & Eliana,
pastors of Lily of
Ovalle Church.

Maribel & husband traveled over
an hour for Sid to dedicate their
child. As a child, she was part of
the children's ministry for years.

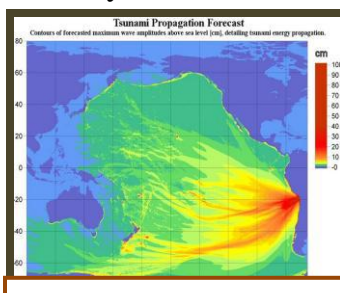

Early 90's, Kathy gave a mini Bible to
Florencio while evangelizing. After
over 20+ yrs, he surrendered his life
faithfully to serve to Jesus.

Thank you for your
donations for the
purchase of 50,000
Mini Bibles. We are
still lacking \$1,800 to
complete the needed
\$5,000. This small
Bible presents 56
verses of comfort,
assurance, &
salvation through
Jesus Christ.
*The Word of God
shall not return void!*

The coastal city of Antofagasta is approximately 350 miles south of Iquique, the epicenter of the recent 8.2 earthquake (April 1st) & tremors. Sid arrived in Antofa two days earlier when the massive quake hit, shaking everything. Immediately, tsunami sirens alerted people in the flood zone to evacuate, and continued blaring all night. Though the church is only 4 blocks away from the ocean, it was considered a safe zone unless the quake would be much larger. The smaller quakes were seldom felt in Antofa but once again in the middle of the night, the tsunami alert siren would blare for people to run up the hill for safety. Over 900,000 Chileans along the coast have evacuated & nerves are raw. Much speculation concerning another massive quake(8.5-9.5)with monster multiple tsunamis(33+ft) has been predicted for this area similar to the 1877 quake with 8 tsunami waves of 33 ft. But we thank the Lord for His mercies that such a mammoth quake has not occurred as of yet. Please remember these people in your prayers.

Antofagasta, 350 miles from the 8.2
earthquake, April 1, 2014: Heeding the
tsunami alarm to evacuate to higher
ground for hours during the night both
April 1st & near midnight April 2nd.

Chile's tsunami effects through-
out Pacific coast worldwide. The
first wave after 45 minutes.
Thankfully it was only 7 ft this
time.

Tsunami alarms rang out all night.

Thank you for your financial gifts, for your love & concern & for your prayers. The Lord has been so very good to us as we take each day at a time, for that is all we are promised in this life: today & right now! As we see the world changing, always remember: **our God does not change!**

Jesus is the same yesterday, today, tomorrow, next week, next year, & forever!

In His vineyard together for His honor and glory,

Sid & Kathy Luke
