SEPTEMBER

Dear Family & Friends,

Greetings in the love of Jesus our Lord! We pray: That the grace and peace of God that passes all understanding rule and reign in your hearts and minds in Christ Jesus daily! That no weapon formed against you shall prosper! That our Almighty God shall provide for your every need according to His riches in glory in Christ Jesus! That His healing is your daily portions! AMEN!

Claudio, a psychologist who has been a faith servant of the Lord has actively served at the Lily of Ovalle for many years in teaching, worship, evangelism, as well as govern-mental issues. In the community of Ovalle, he is highly esteemed for his integrity & professionalism. He was offered an important position at a local large Catholic school, where he was awarded a full scholarship to one of their universities in Valparaiso to receive another degree. He travels via bus on Friday(5-6 hrs), takes classes on Saturday, & returns that night. Bro Claudio recognizes that this is only because of the favorite of the Lord upon his life & is extremely grateful.

Rodrigo & Patricia's wedding

Rodrigo being water baptized

Rodrigo & Patricia have been devoted in their service to the Lord, including faithful giving. Since they married, they have had to live with his mother but their hearts' desire was to have their own home. To buy a small, beginner house in a new subdivision, the enrollment period for first time buyers depends on three things: knowing who, when, & where to sign up. One day while walking in the downtown plaza, they happened to be in the exact place for enrollment in a new subdivision & were accepted by the contractor immediately, which was a miracle!

Gabriel is a construction team supervisor. Though his team is slower than other crews, two things Gabriel has required: prayer at the beginning of the workday & excellence in work. At the beginning, many workers were agitated. But they realized that both the prayer & excellence were concerning their safety & work quality & ethics, since their work involves climbing heavy metal structures. When the boss asked the men why they liked working in Gabriel's team, the answer was the same: he teaches & treats the workers with respect & patience showing how to do the job correctly. Gabriel, who has a degree as construction/engineer technician, is grateful to Jesus for rescuing him from the drug abuse that was destroying him. He is a faithful & giving man of God!

30,000 of the 50,000 mini Bibles printed to send to Chile. We want to thank all of you that prayed & gave to make it possible to purchase these mini Bibles. We know they will be a tremendous blessing as they are used to share the Word of God to many. Thank you again!

Thank you for your prayers and support. The work in Chile is going forward, bringing light & life thru Jesus to all around. We thank you for being a vital part in this ministry. We love and appreciate you!
