Dear Family & Friends,

Greetings in the Wonderful Name of Jesus our Lord! Below are pictures of the new church construction on the outskirts of Jacona, Michoacán Mexico. This prime property was obtain by the church when no other construction was there. Shortly afterward, a new university was built nearly in front of it, increasing property values immediately. As with all of our projects, work is done when funds are available. so step-by-step, progress is being made. But who needs to have a finished building to enjoy the Lord's presence with believers who love Jesus & have a vision?

The new Jacona contruction on the bypass on the outskirts of town. To the left, you can see the university.

The first fellowship meeting held to dedicated the building and property to the Lord,

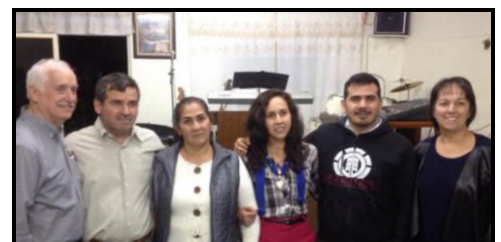

In January 2015 we observed the progress as they preparing to hang the much needed beams that we were able to help them buy.

Saul & Irma dedicated pastors
 25+ in Jacona, Michoacán

Beams are up!!! Praise the Lord!!!

Saul, Irma, Sesi, Isai have served faithfully in this local church that was started Jan 1, 1980. We are thankful for such a dedicated family!

The original Jacona church was the first church plant the Lord used us to start. The above building is also the very first property of many that this ministry has purchased. Our hearts are elated to see the responsibility, vision, stewardship, & outreach this ministry has in their community. We are trusting the Lord to raise an additional \$9,000usc to help them finish the roof with matching funds! Thank you for your prayers & for all of your generosity now and throughout the past years for you have been & are a vital part of this ministry.

In His vineyard together for His honor and glory,

Sid & Kathy Luke
