Dear Family & Friends,

Blessings to you in the All-Powerful Name of Jesus, our soon coming King!!!! The heavens & the earth declare His glory! Let the people rejoice for our God reigns!!!!!!

THE DROUGHT HAS FINALLY BROKEN!!!! HALLELUJAH!!!! Thank you Jesus for the current: **El Niño of 2015!** Even up until the middle of March of this year, the prognosis looked bleak. But at the end of March, the rains finally began & rains like haven't been seen in 80 years!!!!!! In Antofagasta, which is in one of the driest places in the world, they receive 18 years of rain in 12 hours!!!! Dramatic flooding occurred, lives lost, homes swept away, towns completely inundated with not just water but mud and rock from landslides. But the people are extremely thankful for the blessed rain fall. Thank you for praying with us for rain. **Please pray with us for those who must restart their lives.**

America, south of the

June-August are winter
months & are very cold.
Rain usually comes also
in the winter and falls
as snow in the San

the summer the snow
melts and fills the

Pilar

Sis. Pilar recently returned to the local church asking for healing & restoration spiritually, emotionally, & physically . She & her husband were removed from leadership & asked to moved out of the living quarters at the church around 10 yrs ago due to the division they were causing in the church. Since then their entire family has suffered unbelievable trauma & drama. P. Guillermo & Eliana have continued to reach out to them to be healed. Finally Pilar alone decided: **ENOUGH IS ENOUGH!** The Lord is now doing a deep spiritual & emotional healing within her life. *She is finally learning the true meaning of freedom!*

Thank you! Thank you!! Thank you!!! Your prayers & gifts have enable us to do far more than we could ask or think!!! We are truly honored to be His servants and your friends!

Many, many blessings to you and yours in Jesus' Wonderful Name!

In His vineyard together for His honor and glory,
Sid & Kathy Luke
