Dear Family & Friends,

Greetings in the Precious Name of Jesus our Lord! Recently, Sid was reading a Daily Devotional of Seeds of Hope, by the Guido Evangelistic Association. The question was asked: *Have you ever wondered what good might come from an act of kindness?* Three examples given were: Thomas Welch (Welch's Grape Juice), Elliot Handler (Mattel), & Margaret Rudkin (Pepperidge Farm). Each one made homemade products & gave them away to their friends & neighbors. The rest is history! Never underestimate acts of kindness that you do! They are seeds that will give fruit!

This summer we celebrate 40 years on the mission field, first in Mexico then in Chile. We were young and ready to take Jesus to the nations. Our first 10 yrs were spent living in Mexico, Jalisco & Michoacán. In the midst of our little experience but energetic motivation, the Lord blessed abundantly as we planted new churches with new believers in new towns. Each one of those works are still functioning & are self-sufficient. We have worked our way out of a job. Now we visit, encourage, edify, counsel, help with special projects, and just love on our Mexican family.

1976 Lake Chapala - arrived to Guadalajara to study at Spanish at language school.

2015 Jacona - gravel floor, lifting beams to close roof.

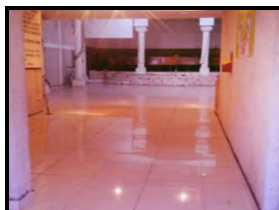

2016 Jacona - altar & floor cement poured, roof & walls closed.

2016 Jacona - church work day. Preparing cement for the flooring.

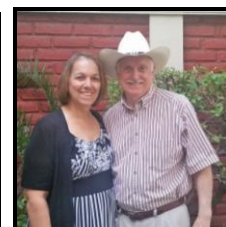

2015 Zamora - Constructing 3 stories upwards, the flooring had been damaged. This was the originally one we laid in 1984.

2016 Zamora - After challenging the church to update the floor with us, immediately nearly everyone promised to pay for a sq meter or more.

1980-1986 One of the most powerful tools we used in evangelism in Mexico & Chile. In Mexico alone we purchased & distributed over 100,000.

2016 Zamora - Thankful for the open doors Jesus has given us for His honor & glory!

Thank you for standing with us with your love & your gifts & your support! We have been so very blessed with family & friends like you & we can never say thank you enough. If you would like to help with the construction of the new church building in Jacona, your gifts and offerings would be deeply appreciated. We love and appreciate you. Jesus be glorified!

In His vineyard together for His honor and glory,

Sid & Kathy Luke
