Dear Family & Friends,

Greetings in the Wonderful Name of Jesus! What a busy time we had in Mexico! Daily the new church building's roof took formation on the outskirts of Jacona, Michoacán. As you can see, the only heavy equipment that was available was muscle and will-power. Whether it was lifting beams or oversized bricks or mixing cement by hand or using a muscle operated hand saw, it is amazing to watch the determination to accomplish this work. Recently, one of the neighbors offered us electricity & passed us an extension cord!!! **Woohoooo!!! Power tools here we come!!!**

Sis Antonia's family celebrated her 80th birthday. This amazing woman & her deceased husband were the first believers in their area some 60 yrs ago in San Antonio & San Agustin Mextepec(State of Mexico). As they began preaching the Gospel of Jesus Christ & the power of the Cross, they experienced serious persecution, including their home burnt down. **But they remained faithful, and the Lord used them to win many souls, train many leaders & establish many church there & in the surrounding areas.**

In 1981, our family was invited to take part in their Christian community celebration & we were amazed at the amount of local people in this rural area who attended. **Some 4,000 believers attended outdoors, in freezing weather, without heavy coats.** People stayed to the early hours of the morning singing, listening to the Word preached, fellowshiping, & drinking hot coffee to stay warm. **Something we will never forget!**

Thank you for your prayers and support for this ministry. We are so very grateful to our Lord for you & your friendship towards us in this large the family of God. Thank you from the depths of our hearts.

May the Lord minister to your every need according to His riches in glory through Christ Jesus our Lord!!!

In His vineyard together for His honor and glory,

Sid & Kathy Luke
